### **Phoenix FM Appearance**

Tomorrow between 12-1pm we will have students (Belle G and Harper So), staff (Ms Floyd and Mr Daenke) and parents (Ricky and Nicola) attending the Phoenix FM radio station to talk at Respectful Relationships...and other interesting things!

Please tune into 106.7 FM to hear what they have to say.

### **Jeans for Genes Day**

Last Friday was Jeans for Genes Day and our school participated to raise awareness and funds to support research into children's genetic diseases.

It was great to see so many kids in their jeans on the day. Together, we raised a total of **\$413**.

A special thanks to our SRC kids who helped organise the day. We will now be sending a cheque off to the Jeans for Genes Foundation.

Congratulations and thanks to everyone involved!

### **Literacy and Numeracy Tips: A guide for parents of children aged 0-12**

Research shows that families are the most significant influence on their children's learning, development, health, safety and wellbeing. Your family can play a key role in helping your child prepare for school, and then succeed when they reach school. This booklet provides handy tips and ways you can help your child develop literacy and numeracy skills. It provides fun, inexpensive, accessible and practical activities you can do with your child at home. The booklet also provides questions you can ask your child to help them learn. Doing these practical activities will help your child develop excellent reading and writing skills, and help them speak well and be a good listener...

### **This week's e-safe topic: Be a Role Model: Find a Healthy Balance with Media and Technology**

Young kids learn how to use technology by watching their parents, so model healthy habits early by balancing media time with real time. By [Caroline Knorr](#) 5/15/2017

#### **5 Ways to Find a Healthy Balance of Media and Technology**

**Be a role model.** When kids are around, set an example by using media the way you want them to use it. Keep mobile devices away from the dinner table, turn the TV off when it's not being watched, and use a DVR to record shows to watch later.

**Start good habits early.** The secret to healthy media use is to establish time limits and stick to them. Start when your kids are young by setting screen limits that work for your family's needs and schedule. And don't just talk the talk -- walk the walk!

Spring Gully Primary School, 104-110 Spring Gully Road, Bendigo, 3550.

PO Box 310, Strathdale, 3550

Phone: 54437230 Fax: 54415584

Email: [spring.gully.ps@edumail.vic.gov.au](mailto:spring.gully.ps@edumail.vic.gov.au)

Website: [www.sgps.vic.edu.au](http://www.sgps.vic.edu.au)

Absence Phone No. 0427840915 (SMS only)

**Use media together.** Whenever you can, watch, play, and listen with your kids. Ask them what they think of the content. Share your values, and help kids relate what they learn in the media to events and other activities in which they're involved. With older kids, you can draw them out by sharing stuff from your Facebook and Instagram accounts.

**Keep distractions to a minimum.** You probably tell your kids to turn their phones off during homework time. Get rid of the stuff that distracts you, too. Hide your apps so they don't display, set your phone to "do not disturb," or shut down your devices during important family time.

**Turn off work.** Many parents feel they need to be constantly accessible to their jobs. But that's stressful, frustrating, and not realistic. Set boundaries for work time and family time.

### **Our Amazing Choir**

I was fortunate enough to accompany the Choir to Melbourne on Monday and watch them perform at Federation Square. As always, their performance was outstanding and they represented our school in an exemplary manner. Our Choir was one of the smallest, but sounded the best by far.....in my humble opinion. Thanks to our three parent helpers, Liz for coming along. Thanks and congratulations also to Mrs Hopman for all the hard work she puts into preparing the Choir.

### **Respectful Relationships**

This term for Respectful Relationships, the grade 1/2 classes have started a new topic called 'Positive Coping'. This topic helps students learn a range of positive coping skills, which will allow them to develop and practice skills that will enable them to cope with future changes and challenges. An activity that the students completed was, they explored the differences between calming and cheering coping strategies. The students all did a fantastic job of discussing and sharing their ideas about when it is useful to cheer ourselves up, and when it is useful to have ways to calm ourselves down.

### **Principals' Day Award Presentation**

*Mr Trezise was spoiled last Friday with a yummy morning tea to celebrate Principals' Day. He also received lots of lovely messages from the students, including a surprise visit from Mr Trezise (aka Fletcher A) and Mr Trezise (aka Lachlan C-P) at assembly on Monday morning. In the photo you will see the three Mr Trezise's!*

### *News from the Art Room*

It is full steam ahead this term in Art with many exciting creations coming to fruition.

Please check out the display of work from our 3/4's outside Mr Parke's office. Children were challenged to create a jungle themed artwork and to hide some little friends amongst their leaves. I wonder how many creatures you can find?

In the BER building you will find a display of prints created by our grade 5/6 children. They have been created using foam printing plates, pressed through a pasta maker and then painted with pearlescent paint. You can't miss them, they really do shine!

This week Sarah bought in a creation she has made at home with the help of her mother. Sarah repurposed a denim skirt she no longer wore, into a fabulous new bag! Did you know that a number of our children are excellent at sewing?

I challenged some of our classes to name the animal depicted in this gigantic paper cut-out by famed artist Matisse. What do you think the name of this artwork could be? I'll let you all know the answer next week.

### Active Travel News

Maybe it's hard to be enthusiastic about active travel to school when it's wet and cold outside – although for kids, flooded creeks and umbrellas can really add to the fun! While the rain is very welcome, it's nice to think that the sun will be shining before we know it, and we'll actually want to be outside...

In fact, it's only eight weeks until term 4 and Walk to School month. Stay tuned in coming weeks for tips on getting your family ready to walk or ride regularly to school through October.

#### What would make your walk or ride to school easier?

Don't forget to fill in the survey or attend a listening post for the City of Greater Bendigo's Walking and Cycling Strategy. This is your chance to tell them what stops you from walking or riding (e.g. to school) and what would make it easier. There's also an interactive map where you can log problem spots and suggest improvements. Find out more at <https://www.bendigo.vic.gov.au/walkcyclegb>.

#### Bike Bendigo Community Ride – Sunday 12 August 10am

This month's community ride starts at 10am from Lake Weeroona (at Nolan St, opposite the Bendigo Tennis Centre). It heads along the Spring Gully Creek (Back Creek) trail to Wolstencroft Park. Perfect for families, it's flat ride away from traffic. <https://www.facebook.com/events/1910466862331685/> The City will be hosting a Walking and Cycling Strategy listening post at Wolstencroft Park, with a free coffee for participation in the engagement activities.

### **Parent Club News**

#### **Next Meeting –7pm - Thursday, 16 August – at Belinda’s House.**

Please contact via the Facebook page if you need the address. We always welcome new members and we are grateful for the parents and special people that come along to support the kids by being a part of Parent Club.

### **Father’s Day Activity**

We are all looking forward to our Fathers’ Day Activity.

It went out onto Compass today and Permission and payments are due back by 17<sup>th</sup> August please. The total cost is \$7 per Child. We will be working on these the week of 20<sup>th</sup> August and gifts will go home with the children on 29<sup>th</sup> August. If you would like to help out in the classrooms on this activity please contact via the Facebook page or let the Office ladies know.

**\*\* Please note,** A reminder that the only option to participate in this Activity is Via Compass and strictly No Cash can be accepted. Thank you.

### **Fresh Fruit Friday**

We are always looking for a few more helpers to put their name down on the roster for Term and beyond. If you are able to assist, or go onto a Monthly roster, please advise us via the Facebook page or let the Office ladies know. It only takes half an hour or so on Friday mornings in the staffroom after school drop off. We welcome any members of the School Community and it’s a Great way for new Parents to meet others.

### **Parent Opinion Survey**

Approximately 30% of our families were randomly selected from CASES to receive an email with a link to the 2018 Parent Opinion Survey. If selected, you would have received this email on Monday.

Please take the time to complete the survey, as your opinions are important to us and will contribute to the future management and organisation of our school.

- The survey is conducted **online** by ORIMA Research and should take around **15 minutes to complete**.
- The survey will be open until **Sunday 26 August 2018**.
- The survey can be completed using any device connected to the internet (even a mobile phone).

Should you require access to a device to complete the survey, please let the school office know.

### **Acting Assistant Principal Role**

As mentioned in the newsletter previously, Mr Parkes will be taking leave for all of Term 3 and the first four weeks of Term 4. During his absence, the Leadership Team consisting of Mr Staley, Mrs Garmey, Mrs Pesina and Mrs Arthur will be taking it in turns to work in the Assistant Principal role. Each of these leaders will be released from their class for a period of 3 to 4 weeks to fulfil this role. This will be a great opportunity for our leadership team to experience this role, work with myself and to support the school in Mr Parkes' absence.

Mrs Kerrin Yates will be employed during this time to teach 3/4 Garmey, P/1 Arthur/Rodda and 5/6 Staley whilst these teachers are acting in the Assistant Principal position. We are in the process of finalising arrangements for 1/2 Pesina/Rodda and will communicate this with families early in Term 3.

Mrs Yates worked at our school in a permanent classroom role in 2016 and 2017 and has been a regular CRT this year, working in all classrooms across the school. She is very familiar with our teaching and learning programs and with our students and will maintain the regular routine of each classroom. These leaders will have daily contact with their class during this time and will be available to support Mrs Yates when required.

The Acting Assistant Principal arrangements are as follows:

Mrs Arthur – Term 3, Weeks 4-7

Mrs Pesina – Term 3, Weeks 8-10

Mr Staley – Term 4, Weeks 1-4

### **Bike-a-thon**

This term we will be holding a Bike-a-thon as our major fundraiser. This event will be organised using the same format as the CUA School Fun-Run held last year. We will be using the same sponsorship forms, incentive prizes and online fundraising capabilities. The Bike-a-thon will be held on **FRIDAY, 14th SEPTEMBER at the Spring Gully Recreation Reserve**. Monies raised from this event will go towards much needed school resources and facilities.

The Bike-a-thon is a fundraiser which we've paired with our desire to promote healthy and active lifestyles amongst our students. It's all about participation and students will have a great day and be rewarded for their fundraising with fantastic incentive prizes. Family support is key to our fundraising success and we encourage all students to get involved.

The **sponsorship forms** and **information note** has been sent home with your child this week. We ask that you read this information carefully with your child. Students who raise just \$10 or more will receive a reward for their efforts in the form of an incentive prize and a ticket in our major prize raffle. In the Sponsorship Form you will also find many other benefits like the chance to win a family holiday to the value of \$30,000.

The Bike-a-thon is a healthy fundraiser that ensures all schools have a viable alternative to junk food fundraising. The event sends the right message to students about having fun while getting involved and being active. Thanks for supporting your child's wellbeing and our school in raising money towards improving resources and facilities.

### **District Athletics**

For those students who have been selected to represent the School at the District Athletics – information about this event (including consent/payment) will be sent to parents via the Compass Portal next week. The athletics will be held on **Thursday, August 16th at the Flora Hill athletics track**.

### **Compass Attendance and SMS to Families**

Compass is set up to automatically send a SMS to the families of students who have been marked as 'absent unexplained' for the school day or who have an 'unexplained' late arrival to school. Teachers mark the roll in classrooms at **8:45am** each day. The Compass system automatically generates and sends out the SMS mid-morning. If your child is absent or late, or is going to be absent or late, we ask that families contact the office at the beginning of the school day. If you know about an upcoming absence or late arrival, we always appreciate knowing in advance.

### **Spare Clothing/Underwear**

We keep on hand a small supply of clothing for loan to children on those occasions when a change of clothing is necessary. This clothing is only on loan and should be returned to school as soon as possible after laundering. Parents of children, particularly in Grades P-2, may like to send a change of clothes along to school in a named plastic bag which we will keep on hand should your child require a change of clothes.

In particular and more importantly, we have had quite a number of "accidents" lately where a change of underwear has been required.

As the spare underwear we have at school can't be returned to school for health reasons even after being laundered, we are asking all parents of children in Grades P-2 to please pack a spare pair of undies in their child's bag for emergencies.

Providing these articles to children is becoming costly for the school, so your support with this is important.

### **Lunches**

We have become increasingly concerned about children coming to school without adequate food for the day. When children come to school without lunch it becomes very time consuming for staff to make phone calls to parents or make sandwiches with very limited resources when parents cannot be contacted. A healthy, adequate lunch does assist children with their learning and maintains their energy levels throughout the day. Please ensure your child has their lunch with them every day.

### **Lost Property**

The cooler mornings and warm afternoons mean that the lost property pile grows. If students have their names clearly printed on items of clothing, mainly jackets and windcheaters, we can return them without difficulty. A large number of items are not named and this adds to the ever growing pile of lost property.

## How much physical activity does your child need?

School-age children should do at least one hour of moderate to vigorous physical activity each day.

### But, Did You Know?

- 80% of school-aged kids aren't active enough according to Australian physical activity guidelines.
- 70% spend more than 2 hours a day in front of a screen for recreation

Most primary school-age children still need plenty of unstructured activity like running and chasing, and playground games. With this in mind, the team at Camp Australia OSHC team incorporate the Heart Health physical activity guidelines in each session of Before and After School Care, to help the kids at your school to find fun activities that will get them moving.

### Some of the ways that we do this include:

- Providing a safe environment with active toys like balls, skipping ropes and supervised access to the outside playground when weather allows.
- Modified games of footy, netball, basketball and soccer are incorporated to develop skills without getting hurt or losing confidence.
- We lead by example and join in, so the kids are motivated to try something different.
- We limit screen time at OSHC, which allows more time to enjoy physical activities.
- For kids who just don't like sports, we encourage other hobbies like dancing, collecting leaves or feathers for craft and exploring outdoor areas.

Drop in after school if you'd like to see some of the active games we play at OSHC! The Program Coordinator will be available to answer any questions you might have.

Kind Regards,
